

BOTFEST 2010

Umass Lowell - North Campus

**Costello Gymnasium
Lowell MA 01854**

Saturday, April 10, 2010

Botfest 2010 will be held at UMass Lowell North Campus at Costello Gym on Saturday, April 10 from 11:00 am to 1:30 pm. Please see <http://www.uml.edu/maps/costello.htm> for directions.

You may arrive as early as 9:00 am to register and set up. The New England Botball Regional will also be held in conjunction with Botfest. Botball seeding rounds will run 10:00 am to noon, and the double elimination tournament will run 1:00 pm to 4:00 pm. You are encouraged to stay to watch the Botball tournament.

Each registered Botfest group will be provided with a table (approximately 3' x 6') and a power outlet. Bring a power strip if you will need more than one outlet.

If you are planning to put up a poster describing your project, bring appropriate mounting supplies (tape and poster board). Posters may be hung from the front of the table.

We also recommend that you make a sign with the name of your school or organization and its town and state. There will be press at this event, and some local papers may want to find people from their coverage areas.

Please complete this registration form and return it ASAP or by March 21 to Phyllis Procter at UMass Lowell to register for Botfest.

Please use a cover sheet and fax us the form to (978) 934-3551, or e-mail us the information to us at robots@cs.uml.edu. You may also send any questions to robots@cs.uml.edu.

Botfest Registration Form

Please fax this form to Phyllis Procter at (978) 934-3551 or e-mail the information to robots@cs.uml.edu. Your organization, town, state and project description will appear on the Botfest page at botfest.org. If you provide a URL to a photo of your robot or a description of your project, they will also be on the Botfest web page. All other contact information is for organizational purposes only.
